

Introduction for Mark DeVolder

(Please read this as if you wrote it. Take your time, emphasize the underlined words, have fun with it!)

What does it take to be successful in today's ever-changing economy?
With everything happening so quickly, what are the essentials of leadership?
How do we create highly committed teams that continually improve?

Our next speaker will help us answer those questions.

Dr. Mark DeVolder distinguishes himself as a
"Transition Specialist", providing a map
through the maze of Leadership, Conflict and Change.

Mark is a mediator and management consultant
with academic credentials that back up his timely message.

He is at home in boardrooms and banquet halls as a consultant
and trainer, in emotion-charged negotiations as a mediator
or delivering provocative, high-energy presentations to audiences
of all sizes. Wherever he goes, people comment on Mark's outstanding
story-telling ability, practical tools and engaging message.

Ladies and Gentlemen, please welcome ... Dr. Mark DEVOLDER
