Mr. John Amatt

Dear John,

Being the first presenter of the day after an AOL evening event is not an easy task. However, as I looked around the room during your presentation, I saw an engaged audience.

Your presentation was right on target and extremely timely. This is a time of evolution and challenge for AOL's General Sales staff and your message was loud and clear. They are motivated, with courage and determination, to move us to the next level.

Thank you for the value that you added to our first sales rally of 2001. We look forward to sharing our success stories with you as the year progresses.

Regards,
