

**LISA D JENKINS**  
EMPOWERING INDIVIDUALS. STRENGTHENING TEAMS.

[www.lisadjenkins.org](http://www.lisadjenkins.org)

Dr. Lisa D. Jenkins is an award-winning boundary breaker and glass ceiling smasher. She works with organizations to unleash cultures of impact that inspire their people to lead with unstoppable purpose, passion, and bold action!

Dr. Lisa D. Jenkins is an award-winning cultural strategist helping organizations unleash cultures of impact that empower individuals and strengthen teams by successfully embracing multicultural settings. With a diverse background that includes professional positions in human resources divisions in Fortune 100 companies, Lisa's passion is to equip teams and increase productivity by strengthening individuals through cultural competency. An adjunct lecturer with the country's largest urban university system, she teaches multicultural studies and cultural diversity. Known for her engaging and transparent style of communication, Lisa's passion spans the arenas of corporate America, academia, and civic engagement.

*"The employees at FreshDirect are extremely thankful for the wisdom and skills shared by Dr. Lisa Jenkins...Lisa is a superstar and we can't wait to have her back!"*

— Larry Scott Blackmon, Vice President of Public Affairs, FreshDirect

## SAMPLE TOPICS

### **"Can You Hear Me Now?" Intergenerational Communications**

- Understand the different generations.
- Recognize and avoid intergenerational clashes
- Leverage intergenerational differences for a stronger team.

### **"We're In This Together" The Multicultural Workforce**

- Develop a clear definition of culture and why it's important for a strong and successful team.
- Understand how culture influences the decisions we make in the workplace.
- Fortify social skills when dealing with different cultures in the workforce.

### **"It's Only a Joke!" Unconscious Bias**

- Define and recognize unconscious bias.
- Recognize the importance of unconscious bias in the workplace.
- Identify strategies to counter unconscious bias.

### **The Capacity To Hope!**

Often our differences seem to outweigh what we have in common. In a world that appears to be more and more divisive we must have the capacity to hope! In this keynote presentation Dr. Lisa offers her own stories as examples of power and hope along with a powerful and compelling challenge to surmount the walls of division. The result is that individuals and teams can achieve success and become part of a global body of transformation and change for the good of humanity.

# What People Are Saying About Dr. Lisa D. Jenkins

*"Dr. Lisa is a fantastic speaker who knows how to cater her message to specific audiences and engage each and every listener in the room in a meaningful way. The workshop she conducted for our program inspired our clients and has helped them build their confidence and identify the tools they need to succeed."*

— Ashley Crone, Partnerships Lead, Shine Foundation

*"After Dr. Lisa's presentation I was re-energized and ready to go with expanding my business. Rev. Lisa's dynamic presentation style both motivates and informs. I left with new resources and inspiration to support my growth and ultimate success as an entrepreneur."*

— Monica White, President, Grand Pearl Communications

*"Lisa Jenkins is one of the most powerful and engaging speakers I have ever had the privilege of meeting. I first heard her as one of the speakers at a press conference and found her passionate, electrifying and uplifting."*

— Howard Levine, Levine & Partners, Inc.

*"I've had the privilege of hearing Dr. Lisa Jenkins in both a professional and ecumenical setting. Each time, I've been impressed by her command of the audience and her extensive knowledge of the given topic. Her personality shines, yet pales in comparison to the energy she brings to every setting!"*

— Tisha Dixon-Williams, Lead Pastor, First Baptist Church of Bridgehampton

*Dr. Lisa Jenkins' speaking talents & skills compel calls to action for all who hear her message. She's credible, confident, and creatively delivers leadership momentum with each and every story she shares on the platform."*

— Carole Copeland Thomas, C. Thomas & Associates, President & CEO

*"Lisa is a powerful engaging speaker with a heartfelt and important message to share. She commands the stage, commands your attention and inspires you to action."*

— Robyn Hatcher, Communications Expert, SpeakEtc.
