

Duo Transcend Roller Skate Act

Has a modified version for family-friendly events

Tyce and Mary (aka Duo Transcend) offer a less “edgy” version of their act for family-friendly corporate events.

Modifications include:

- *Music appropriate for any age
- *Costumes for Mary that cover midriff,
- *Tyce does not remove shirt during the act
- *No kiss at the end of the act
- *A more playful fun vibe, rather than romantic
