**Subject:** Testimonial for Merlyn Clarke - Life Coach

It gives me great pleasure to provide a testimonial for Merlyn Clarke. Merlyn has been my private life coach since February, 2021. She has coached me on intentionality and breaking down the barriers of limiting beliefs.

I expressed my desire to complete my degree and she introduced me to her contact at Morgan State University.

She cares about my success and I recommend her coaching services to others.

Thank you

Debbie-Ann Sinclair
