To Whom It May Concern

It gives me great pleasure to offer a testimonial for Ms. Merlyn Clarke of MAC Leadership Solutions LLC.

I started my coaching relationship with Ms. Clarke on 12/19/2020. We met weekly for 16 weeks. Ms. Clarke has coached me in the areas of budgeting and financial planning, career development and personal growth.

She has raised my awareness on the different categories in a budget worksheet and the use of a spending diary. Ms. Clarke has helped me to established personal and financial goals.

I recommend her without hesitation.

Thank you
