Delighted Clients

“Laura is even better in person than she sounds in all her books, which is hard to imagine. Watching Laura work with our sales organization, and seeing the immediate impact she had, was overwhelming. Our top sales performers asked, ‘When can we have her back?’ Her processes and approaches to maximizing your productivity are tangible and easy to implement.” - Laurie McDonald, Director, Sales Effectiveness, Kronos Incorporated

“As a presenter, you are one of the best in the business. Your ability to use humor, personality, and maintain passion for excellence is absolutely phenomenal. Your mechanics of movement, eye contact, voice inflection, and gestures are second to none. I suspect that all rolls back to the passion you have for your chosen topic. The theory PWF as developed by you is sound, based on fact, and very relevant to the times we live rather than some overused, bizarre cliché like “You waste your time, you waste your life.” It was my high honor to meet you, and I look forward to seeing you again.”
- Lee Howe, Professional Development Manager, KIEWIT Energy Group
