

# Keynote Speaker

 THE MAGIC  
OF THE  
MIND

## Arthur Fratelli

To excited audiences of all ages, Arthur brings a high energy, mind-blowing shared experience that packs an inspirational punch—training listeners in the science of the brain and unlocking their true potential.

Audiences gain a deeper understanding of the value of practice and the power of their own subconscious.

Arthur's straight-from-the-heart energy motivates students to get moving, take full advantage of every moment, and overcome imagined limitations to become the people they want to be!

### **An Experience.**

This is a psychological experience that **SHOWS** the power of the mind!

### **Skills.**

It's about unlocking the focus, imagination and endless abilities inside each of us!

### **Engaging.**

A hypnotherapist, mentalist, magician, martial artist, and a former teacher. Arthur has the skills to keep your audiences engaged and learning about how amazingsness dwells inside each of us!
