

# Are You Curious About What Makes People Curious?

Dr. Diane Hamilton is an award-winning speaker, nationally syndicated radio host, consultant, author, and educator. Through her interviews with Time Magazine's Most Influential People of the World, Forbes 30 Under 30 Inductees, Nobel Peace Prize Nominees, New York Times and Wall Street Journal Best-Selling Authors, and billionaire executives, she has uncovered the key to improving human performance: curiosity. This is a unique opportunity to interview a radio media personality, with a Ph.D., who has taught more than 1,000 business courses and has been hired to speak by top organizations like Forbes. She is the **author of multiple books**, including *It's Not You, It's Your Personality* and her most recent book, *Cracking the Curiosity Code: The Key to Unlocking Human Potential* (anticipated 2019).
