

To Whom It May Concern;

This is a letter of testimonial for Eric Boles, President of The Game Changers, Inc.

Eric's 'Moving to Great' workshop was just what our team at the LIVESTRONG Foundation needed. After a challenging period of significant change in our organization, his dynamic presentation and the meaningful content he shared helped re-energize and re-focus the team. By tapping into each individual's personal values, talents, and goals we left the workshop inspired and ready to cohesively push forward in a positive and clear direction. We could not have made a better investment in our team.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Ulman". The signature is fluid and cursive, with a long horizontal stroke at the end.

Doug Ulman, President/CEO
