

We need “Fearless Leaders” now more than ever who can lead courageously. With all the challenges and uncertainty in the world today it easy to let fear influence you. Perhaps the greatest challenge that many of us will ever face in life is the conquest of fear and the development of the habit of courage. Fear has always been the greatest enemy of mankind. Letting fear get its grip on you can cripple you both personally and professionally.

FEARLESS LEADERSHIP

by **Eric Boles** will provide you with tools and strategies to lead yourself and others with more confidence and less fear.

Key Points of this Presentation:

- Fear works best in isolation
- Conquering fear with a stronger emotion
- Focusing on the Vital
- Challenging, Coaching and Leading to Results
- Fear and Selfishness go hand in hand
- Seeking out experience and being transparent
- Fear is Contagious
- Confronting real problems and controlling your imagination
- You can only “pose” so long
- Becoming a “Chief Courage Officer”
- Going First and Leading the Way

Eric Boles will weave powerful stories and depth around each of these strategies that will touch the heads and hearts of your people. He will work with you to customize his presentation around your meeting theme, key business issues and goals so you get the results you want. Plus the audience will receive relevant information that they can put to work immediately both personally and professionally.
