"Book in Every Seat"
special!

Suggested Half-Day format:

- **Session 1 - The Sensei Leader Keynote**

A comprehensive introduction to the philosophy of effective leadership through Courage, Compassion & Wisdom embodied in **The Sensei Leader**

- **Session 2 - Be The Sensei**

A highly interactive workshop on the **Characteristics** and **Key Principles** of **The Sensei Leader**. Participants identify strengths, weaknesses and areas for growth and implementation.

- **Session 3 - The 4 Tactics**

A lively and physically engaging workshop introducing the tactics used by martial artists that you will apply in your organization leadership.

Full Day training packages:

Choose from any of our additional sessions, or we'll apply your Full Day discounted rates to train two or more groups at your organization!

We also offer discounted package plans for multiple location training!

Plus...we're glad to personalize sessions to your specific conference theme and organization goals!

Additional Sessions...

- **THINK Like a BLACK BELT** - the principles of personal and professional Mastery
- **The Art of Focus**
- **The Art of Discipline**
- **Samurai Service**- leadership for cutting edge customer service!
- **Samurai Sales**- courage and confidence for sales leadership

You can also add our Executive Martial Arts Session...

A real self-defense workshop specifically designed for business people!

A fun, engaging and energetic addition to your meeting or conference!
