ACCELERATED RESILIENCE

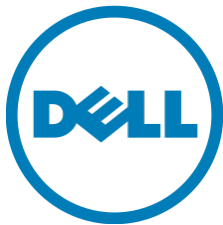

**SCOTT

We've all heard presentations and speeches, but they don't always leave a lasting impression. Courtney has a gift – her presentation was animated, engaging, touching, personal and interactive, not unlike improv comedy. She reached her audience both in content and in her presentation style.

-Sydna Marshall, Marketing Coordinator

If you are looking for a great presentation on leaning on your own resilience during times of uncertainty or change that's presented by an authentic, enthusiastic and inspiring leader, reach out to Courtney. Your expectations will be exceeded.

-Melissa Threlkeld, Director of Marketing Management

Courtney's message of success through change and struggle applied to everyone in the audience, and we were all motivated and inspired by her presentation. She was definitely the highlight of the event! We look forward to bringing Courtney back to speak at future Dell leadership and development events. Thank you, Courtney!"

SYNOPSIS[®]

I have been holding this event for the past 10 years and by far Courtney is the best, most relevant speaker we've ever had. She had us laughing and crying and totally engrossed in her story. Courtney was truly inspirational. If I could, I'd have her back every year.

-Joanne Linden

Courtney's insights about resilience were clear, to the point, and immediately meaningful to our members. She is one of the most dynamic speakers we have had the fortune to host. Thanks to her, this year's conference was a great success.
