Dear Don:

On behalf of the Florida Self Storage Association, I want to thank you for your presentation at our 2009 annual conference in Orlando, FL.

Your speech was rich with content and take-home value. You not only used your personal experiences with some of the greatest winners in sports to inspire us, but offered specific tips and challenges to ensure the inspiration wasn't left at the door.

I received numerous comments from our members who were delighted and motivated after listening to you. This is the response we were hoping to attain!

I also want to thank you for making my job just a little easier. This was my first time organizing a state-wide conference, so I truly appreciate how accommodating and stress-free you were... even when faced with technical difficulties. To top it off, your donations to the silent auction helped us raise more than \$3,500 for the Special Olympics!

Thank you again for all you did to help make this year's annual conference a success. It's an experience we won't soon forget.

Kind regards,

Caite Corripio
Executive Director
