

INTRODUCTION

Ethics in the workplace is a serious matter, but talking about it doesn't have to be "business as usual." Long ago, our speaker learned a lesson about ethical choices and consequences the hard way. Now he shares his experience so others don't have to.

You may have seen him on television or heard him on CNN, CBS or NPR radio programs. His business insights are sought after for his strong position on ethics and ethical leadership. His unique presentations and laser-pointed focus on "The Human Side of Ethics" clearly demonstrate he brings something to organizations that isn't found in typical business speakers.

Described by his peers as insightful and captivating, this speaker connects the dots between behavior, choices, ethics and success. He will be available immediately following today's presentation to sign copies of his best-selling book, *Second Chances*.

Ladies and gentlemen, please join me in welcoming... **Chuck Gallagher**
