RE: Eldeen Pozniak

To Whom It May Concern:

As the coordinator for the annual Saskatchewan Safety Council's Industrial Safety Seminar and the Chief Executive Officer of the Saskatchewan Safety Council, I have had the pleasure to work with many excellent Public Speakers over the years. Eldeen Pozniak is easily one of the best speakers you will ever see in the safety field.

Eldeen's professional manner makes working with her effortless and a sincere pleasure. Her background as a true world class safety professional with vast experience in a wide variety of countries and industries coupled with her witty, humorous approach ensure that every presentation she delivers will be of the highest quality.

I have no hesitation recommending Eldeen as a speaker for any event you will be hosting. There is no doubt in my mind that I will be hiring her as a speaker again in the future.
