

# John F. Edwards

*"Helping You To Achieve Brilliance"*

John F. Edwards will help your audience to be energized with a renewed mindset on achieving brilliance. John is an award winning international motivational speaker, problem solver and prolific author in addition to being one of the highest rated speakers at conferences and events.

### 3 reasons people hire John:

1. He is authentic
2. He is an expert story-teller with deep expertise
3. He is captivating
4. Audiences feel great after his presentations (we list 4 here because John is bad at math)

### Example Presentation topics :

- **VIRAL Leadership**- the secret to ensuring your future success as a leader (gain an understanding of the traits that are common to leaders and organizations who achieve long term success)
- **Did Anyone See The Bus That Hit Me?**- (attendees will know what they need to do to ensure they do not get "WHACKED". The presentation is wrapped in humor and relevant stories)
- **MOVE**- How to move from information to inspiration
- **Influencing Skills** - In this presentation, we examine a basic organizing principles of the brain that impacts our ability to influence for success
- **Stay On Top Of The Wave Of Change** (being agile and enduring during times of change and ambiguity)

### Conference Comments:

"You **changed lives** yesterday!"

"He was **charismatic, funny and insightful**. I enjoyed listening to him."

"You are an unbelievable human being. All the way home, it was **your impact** that was reflected in our ... conversations."
