MICHAEL WICKETT

Michael Wickett, Nationally Renowned Speaker, Trainer and Consultant, is highly sought after by corporations, trade and professional groups, government agencies and conference coordinators for his keynote speeches, in-depth presentations, skill building seminars and leadership training.

Michael has been highly praised by meeting planners and seminar leaders for the way he informs, entertains and inspires at meetings, seminars and training events. For over twenty-five years, he has been recognized for his ability to reach and inspire his audience with power packed content and dynamic, focused messages.

Michael is also respected by his clients for taking the time to tailor each of his presentations, based on an analysis and understanding of their culture and needs. His presentation materials are also custom crafted to reflect the values of the organization and providing the foundation for effective individual transformations.

Michael Wickett has spent his professional career working with people on empowering their lives. Since 1980, he's been delivering messages of business success, human development principles and personal and professional development to thousands of corporate clients. He is a dynamic presenter who informs, entertains and inspires. Michael always provides high content take home value through his carefully tailored presentations.

Powerful Topics Tailored to Your Specific Needs and Goals

RAVE REVIEWS

"After 12 years of hearing all the great speakers, the two best speakers in America are Zig Zigler and Michael Wickett."

Dan Strutzel
V.P. Nightingale Conant

"Michael did a wonderful job for our mortgage sales team. In the midst of a challenging time, he delivered the perfect inspiring message with action steps."

Dave Randall
Regional President
Republic Bank

"Michael has delivered many dynamic programs for our sales and leadership team. He has always given us an excellent return on our investment."

Terry Brown
President
Metropolitan Title Co

"Michael did an exceptional program for our franchisees and their salespeople. He was a great choice as our keynote speaker!"

Debbie Zurinski
SNELLING Personnel Services

"After a challenging year, your program on 'Creating Customers For Life' helped us change the energy in our company. This has helped us realize three significant projects this year!"

Ken Lawless
COO, Clark Construction

PEAK PERFORMANCE --

New Levels of Success

In this dynamic program, Michael will share "tools" to overcome obstacles and create breakthroughs.

LEADERSHIP --

Creating New Possibilities

This program contains specific strategies for developing an environment where team members create new levels of excellence.

CREATING CUSTOMERS FOR LIFE --

Modeling The Best

This powerful program gives sales people the key strategies to become more effective on every sales call and create long-term, profitable customer relationships.

EMBRACING CHANGE --

Creating New Possibilities

Since there's no growth without change, Michael will help your team RE-focus and create new possibilities as a result of embracing change.

THE POWER OF POSITIVE FOCUS --

Get Your People Excited

Since Focus Equals Reality, it is essential that your team concentrate on future success and growth. Michael will share the life changing impact of daily positive focus.
