

Wayne Lee

Positive Programming for Optimal Performance

Set Your GPS for Success - Interactive Keynote Presentation (60 – 90 minutes)

Hilariously Uplifting

Wayne Lee helps you access and harness the power of your GPS (Great Programmable Subconscious) for optimal performance at work and at home. Wayne shows you how to Fix your Focus and reveals what is possible when you program your GPS for success. Deeply engaging, always down-to-earth, Wayne Lee delivers life-changing content and an exhilarating, one-of-a kind experience.

"Wayne's "What a perfect balance of talent and teaching. You had the room in stitches but along the way there were many aha moments. The power of suggestion and the will to control your own thoughts really hit home with the room. Your presentation was smooth, entertaining and thoughtful. So impressed."

– Darrell Johnston, Regional Vice President, Compass Group Canada

This presentation is highlighted by the 1, 2, 3 PUNCH...

1. In this unforgettable interactive hypnosis presentation, Wayne peels back the layers of his hypnosis show and teaches your group some *positive programming tools* to optimize their performance at work and at home.
2. Your group will learn one specific strategy that they can use immediately to overcome stress, change limiting beliefs and perform better.
3. Your group will receive a 10 week goal achievement program that will make the message last a lifetime.

To maximize the benefits for your group Wayne will tailor this presentation to your specific industry and your specific outcomes.

"Great evening!! People couldn't stop laughing and smiling!! Powerful messages!!"

– Dan Smith, Vice President, Commercial Business Development, MasterCard
