## Bio

***“No buzzwords, no hype, no slick sayings - just 20+ years of real life stories a global entrepreneur that delivers solid take home messages and value audiences all over the world! Troy Hazard is simply authentic!”***

After months of working 18 hour days 7 days a week at a radio station in Brisbane Australia, Troy Hazard woke up one morning and decided that if he was going to put this much effort into something, then it may as well be something he owned.

Since then, there are few situations in the business world that he has not experienced and survived. In the last 25 years he has become a self-styled serial entrepreneur, who has founded and nurtured twelve businesses, and has consulted to countless successful companies in 23 countries around the world.

Through his business career he has owned a diverse range of businesses including a recording studio, an advertising agency, a pizza restaurant, real estate brokerage, property development company, pool and spa service company, leading franchise consulting business, a technology business, and a television production and broadcast facility. He has been both a franchisee and a franchisor. His business talents earned him international respect, so much so that in 2006 he was elected by the world’s foremost business leaders for the role of Global President of the [Entrepreneurs' Organization](#).

But his business interests did not stop his passion for the media. He was the co-host on the hugely successful national network business television shows in Australia ***‘Inside Franchising’*** on the TEN Network in 2006 and ***‘Don’t Come Monday’*** on the NINE Network in 2008.

He is also one of the few Australians to crack the American market with his own TV talk show. ***‘Gettin’ Down 2 Business’*** aired in the USA on the BizTV Cable Network and TiVo into 35 million homes each week. And, he is a regular Co-Host on ***‘The Big Biz Show’*** on the CBS Talk Radio Network, Business Talk Radio Network, and American Armed Forces Radio Network, broadcasting to 1.5 million radio listeners, and simulcast on the BizTV Network and TiVo in the United States.

When he is not in a boardroom or on the air, he is on stage delivering 50+ speaking engagements a year to over 30,000 people annually around the world. Troy’s lessons from the edge provide businesses with potent and refined tools, a collection of which you will find in his Amazon bestselling business book, ***Future-Proofing Your Business: Real Life Strategies to Prepare Your Business for Tomorrow, Today!***
