Bio (Media)

There are theory specialists and then there are those who have been there. Drawing from a lifetime of innovative, real life experience, Hazard now shares with businesses his powerful Lessons from the Edge.

There are few situations in the business world that Troy Hazard has not experienced and survived – from massive financial loss to stunning success. The core business for the entrepreneurial genius, that has founded and nurtured twelve businesses, has been as consultant to some of the world's leading brands.

He has also hosted the hit Australian National Network TV programs '*Inside Franchising*' and '*Don't Come Monday*', and his own business talk show '*Gettin' Down 2 Business*' on the [BizTV Network](#) and TiVo in the USA. Troy is also a regular weekly Co-Host on '*The Big Biz Show*', on the CBS Talk Radio Network and the Business Talk Radio Network broadcasting to 1.5 million radio listeners each week, and simulcast on BizTV and TiVo.

He is also a regular business commentator on FOX, NBC, ABC, CBS and their affiliates across the USA.

Hazard's business talents earned him international respect, so much so that he was elected by the world's foremost business leaders for the role of Global President of the [Entrepreneurs' Organization](#). Troy's experiences in the business world have allowed him valuable insight into the workings of organizations and the minds of customers. Insight he shares as a [speaker](#), best-selling [author](#) and seasoned television host.
