

STEVE Gilliland VIRTUAL

**BRING PEOPLE
TOGETHER
WHEN THEY'RE
PHYSICALLY APART**

Steve Gilliland's virtual presentations are produced in a state-of-the-art studio to meet your organizational needs. His enthusiastic delivery personally engages people and elevates the learning experience.

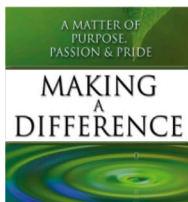

As more organizations seek to overcome the challenges of meeting remotely, Steve has developed an exclusive approach to deliver high-impact presentations that are laced with relevant content to accomplish your objectives.

- **Pre-Recorded Virtual Presentation** – Applies state-of-the-art technology and special effects to improve retention of the video content and viewer attentiveness.
- **Pre-Recorded Personalized Virtual Presentation** – Includes organizational logos, themes, introduction, and pre-determined organizational messaging.
- **LIVE Virtual Presentation** – Utilizes cutting edge film mechanics, a visually appealing background, and is delivered in real time.

The PROOF is in the PRAISE...

"Only one word can describe your virtual presentation on Thursday afternoon... Incredible!"

DANIELLE W. SCHOENINGER,
CHESTER COUNTY INTERMEDIATE UNIT

"Your ability to connect with our members via a virtual platform was astonishing!"

BILL RUSSELL,
LAKE NORMAN COC

"Your virtual presentation was so inspiring as well as thought provoking. You and your team over-delivered on your promise. The audio and video delivery were awesome!"

CHEN LI, AO SMITH

"Steve's virtual presentation hit the mark for our members. It was relevant, refreshing, and engaging. Thank you for making this EMERGE presentation doable and affordable."

MARK S. JONES, NAIFA HOUSTON
