SAMPLE PROGRAMS

CREATING YOUR OWN LUCK

Lucky people take action every day to seize life's opportunities. In this inspirational and humorous presentation, Marsha motivates and inspires viewers to pinpoint actions they can take to magnify their career "luck".

- Uncover more opportunities to be successful!
- Live each day with boundless optimism and energy!
- Achieve a mindset where happiness comes with ease!

CHANGE IS GREAT. YOU GO FIRST.

Human nature's resistance to change can prevent people from achieving amazing success. This memorable, participation-based keynote challenges audience members to truly "go first" by adopting openness to change as a competitive advantage.

- Embrace change and the attributes that produce it!
- Discover stability in a world of accelerating growth!
- Adapt and learn faster to stay ahead of the curve!

DETOXIFY YOUR INBOX -- LEAD YOUR LIFE

Is your inbox a reflection of your life? Overloaded, full of distractions, impossible to prioritize? If so, you need an Inbox Detox! In this interactive presentation, Marsha uses her famed 12-step program to help the audience take back the reins of their lives, and cure their e-mail e-ddictions in the process.

- Become more focused, energetic and productive!
- Reduce stress by developing healthy e-mail and life habits!

"Everyone left the meeting energized and talking about how they were going to apply the principles from your program to their jobs and to their lives."
