Dear Galen:

Thank you so much for being one of the presenters at WSAE's 2016 Speaker Showcase & Luncheon on Thursday, February 4.

Following are just a few of the great comments received through our electronic evaluation of attendees that I thought you would be interested in seeing...

"He was a very vibrant and energetic speaker."

"I enjoyed Galen's presentation. It was fun, interactive, and I can see using it as a team building workshop or a communication workshop."

"I will look in to hiring him for an event for sure!"

"WOW!!!! He was full of energy and ready to go for the ride with us. We all loved him. Galen must come back."

"He was informative and entertaining. The full-immersion-improv process was enlightening. I didn't expect to enjoy his presentation so much, nor learn much from it...yet I did."

All of the respondents said they learned something new and can use the information you presented.

Galen, I know how busy your schedule is, so I really appreciate your taking the time to share your wisdom, experience, and energy with us!

Again, many thanks!
