

What Meeting Planners say about Kate O'Neill

“OMG Kate O'Neill was **absolutely amazing**. The content of her presentation was incredibly relevant to [our department], and really [the company] as a whole. This was our highest attended All Hands yet. We are getting nothing but amazing feedback.”

“Kate is **absolutely one of the best keynote speakers** I've ever worked with. ... Kate's presentation style is dynamic and engaging. And her message is positive and relevant in today's data and tech-driven world.”

“One of the **smartest and most forward-thinking** people in the interactive space”

“We could not have been more thrilled with the results! ... I would contract Kate again in an instant and certainly recommend her to anyone looking for a thought leader in her area of expertise.”

“I definitely recommend Kate as a keynote speaker at any type of professional event. Her experience creates an arsenal of expert subjects she can share to inspire a variety of audiences.”

“Clearly a serious intellect yet warm and approachable”

“Kate O'Neill brings a terrific blend of wisdom, humor, and humility”

“She really made us think, but also gave us concrete takeaways we could use in our business.”

“We continually refer back to the work you led us through. It helps shape our approach toward every aspect of the business.”

What Audience Members say about Kate O'Neill

“It was **uplifting and positive** — felt a little like watching a Ted Lasso episode!”

“During her session I forgot all about how much I usually hate virtual events”

“Her **insightful** perspective made her stand out from the crowd“

“Really got a boost from your session!”

“It was refreshing & exciting to find a like-minded person who clearly knows the pulse and mind of the consumers“

“The style of presentation and the way the insights were cleverly communicated were very valuable to me; it helped me connect to these insights in my own work”

“**Exciting** message, delivered beautifully”

“Kate is an excellent and engaging speaker”

“gobsmacked by her **contagious enthusiasm**”

“Like the Peter Drucker of digital business”

“Like Sandra Bullock with brains by Microsoft”

“She shared many insights into how technologies can be used at scale to create meaningful human experiences — ones that can solve world problems.”

“Such an awesome message! Thank you Kate!”

“**Best session this year!**”
