Our guest speaker is a creator, activist, educator and 3x best-selling author of *Mind Platter*, *The Nectar of Pain* and *Sparks of Phoenix*. Since self-publishing her first collection of poetry and prose in 2016, she has become an inspiration to millions of people worldwide. Through her writings, her podcast (*Stories of the Soul*) and her own digital school (Soul Academy), she continues to give a voice to countless souls out there aching to be heard.
