

Long Bio-

Jeremias is a tech-savvy millennial who speaks from the heart and specializes in helping everyone improve their tech expertise regardless of skill level or generation. Audiences across the nation love his enthusiasm, energy, and humor infused into every presentation.

“JMan” began engaging audiences in 2002 with his ability to power learning through anecdotes from his life as a real estate practitioner. His perspective is fresh, delivery is authentic, and his content is fluff-free. JMan is ready to help you overcome your fears and start crushing your business and personal goals now.

He often mentions that his speaking career really began in 1987 when he was chosen as the ring announcer for his elementary school circus.

It is my pleasure to introduce Jeremias “JMan” Maneiro.
