

## Courses and Programs by:

# RANDY DEAN

## The "Totally Obsessed" Time Management/E-mail Guy

Make *Randy Dean, MBA*, author of the recent Amazon.com e-mail bestseller, *Taming the E-mail Beast*, your preferred source for advanced time and technology management, e-mail management, and smart phone/personal digital assistant (PDA) speaking, training and consultation. Randy has 20 years of experience using and teaching advanced principles of time and project management and personal organization, including several years of experience teaching advanced e-mail and SmartPhone strategies. He delivers entertaining and informative speaking programs for your association meetings, leads customized training programs for managers and professionals in your company or organization, and also provides individual or small group consultation on time management, e-mail, and personal organization strategies that will greatly enhance the productivity and effectiveness of your staff.

**"Fabulous job! Excellent summarization and synopsis of key issues in time management. Innovative and creative approach to complete what is important and fulfilling in life."**

- COLLEEN McCafferty  
UNIVERSITY OF PITTSBURGH
