

# The 10 Realities of Corporate Life

Keynote by Keith Wyche

Do you know and have what it takes to be successful in your job? Did your last review reflect what you believe to be true about your performance and promote ability? In this session, corporate executive Keith Wyche shares the realities of getting ahead in today's tough corporate environment. You'll gain "insider information" about what he and his c-suite colleagues expect from their employees. It is time to realize that life is not fair; you must embrace change and take personal responsibility of your career path.

By attending, you will:

- Realize the importance of performance as well as the impact of exposure and perception.
- Understand the major success factors you must master.
- Gain a career checklist with specific actionable "to do" items.

**Ideal audience:** Individuals that have been working for five years or less; millennials.
