UNIVERSITY OF ATTITUDE™
GET ATTITUDE!

The ABC's of Attitude is your Secret Formula to creating an attitude that will reshape, reform and reignite your attitude and put you on the path to increased happiness, success and fulfillment in life. Attitude has been defined as the way you dedicate yourself to the way you think. We take it a step further and define it as the way you feel about the way you think.

Could examining your attitude about all the areas, relationships and challenges in your life create an awakening that could fuel new levels of excitement, success and vitality in your life? How about the way you think? Have you ever given it any real thought? Is the way you think giving you what you want out of life? Everyone wants to talk about and study everyone else's story; however, the most important story in your life...is your story!

How do you want your story to play out?

Glenn's Attitude Attributes and Inspirations are his personal experiences that teach and reinforce his formula on how to have an amazing Attitude. These are real life stories and occurrences that will cause you to pause and reflect on some of your own experiences and draw even more insight into Your Attitude and the Attitude of others.
