

# Stewart Kennedy

keynote speaker . business consultant . entertainer

Stewart Kennedy has changed the way thousands of people across the nation think about success. As a professional entrepreneur, humorous speaker and leadership trainer, Stewart has inspired and motivated for 26 years, to 350,000 audience members in 37 states, Budapest, Hungary and Canada. Stewart grew up on a ranch in Oklahoma where he learned about hard work and hard knocks. He is a business owner of multiple companies and has been involved in new ventures in a variety of industries that range from the food industry to construction to tax credit finance. These experiences have added a multitude of profound and powerful lessons that few presenters have the opportunity to share. Stewart's clients include agriculture organizations, students, educators and business professionals. Stewart brings humor, hard hitting business truth, interaction and fresh content to the table. The combination of high-energy and high-connection makes Stewart Kennedy the perfect choice for your next event.

"THANK YOU for an awesome presentation. On the evaluations, yours was the top one selected. Based on the feedback from the Entrepreneurship Boot Camp, we will do this again next year!"  
Brent Kisling, Enid Regional Economic Development Director

"Stewart's humor – and geez is he funny – comes from his real life. In making points, Stewart draws on his own experiences, which range from inventing peanut butter slices to surviving near-death disasters while pheasant hunting to chasing trains in Germany."  
Joel Kendal PhD, Southwestern Oklahoma State University

"Stewart Kennedy has presented to our young people, staff and board of directors. His content is always directly applicable and his style is engaging for all three audiences. I always recommend Stewart to anyone who is looking for an inspiring, humorous and impactful speaker."  
Tandy James, Executive Vice President OBHC

### Managing Rapid Change.....How To Let Go and Get Results

Getting ahead in business and life requires taking risk. Rapid change is taking place and we must choose how to respond. In this lively and humorous presentation, you will learn what it takes to break out and make change a reality for your organization.

### Use Your Head to Get your Foot in the Door

As an entrepreneur Stewart has had the opportunity to connect the dots and find solutions. In this powerful, very funny, and insightful keynote participants will explore how to serve and care for the customers needs – and leave understanding the difference between order takers and HEROS.

### Get Up, Get Over and Get On....True Grit in the age of Instant Gratification

All of us experience setbacks and unfortunate events in our personal and business careers. Change is constant and how you approach it will determine how far you go. In this session you will hear about the power of perseverance and common sense in tackling challenges in an ever-changing environment.
