Dear Bill,

Thank you again for a fantastic keynote presentation at our recent PERMA Annual Member Conference, your content resonated with our attendees and your delivery was incredibly engaging and really got them involved!

I have to admit, as I was filling out your pre-event questionnaire, I reflected on how little most speakers utilize that information, but your presentation was tailored to PERMA perfectly; I couldn't believe how personalized it was! I know that had a huge impact on our group and made them feel like the stars.

We got a ton of positive feedback onsite and I know that more of it is coming via our survey. Really, seeing the whole group on their feet clapping at the end is survey enough for us, standing ovations are definitely reserved for remarkable presentations!

Sincerely,

Karen Braman
