

David Cottrell

Leadership and Life Lessons You Can't Afford to Miss

David Cottrell has created a legacy of leadership excellence. During his three decades of leadership experience in corporate America, David has lived the obstacles, frustrations and issues today's leaders face. The best-selling business author of 25 highly acclaimed books, David has been a featured expert on public television and has shared his leadership philosophy and lessons with more than 300,000 managers and leaders worldwide. He is currently CEO and President of CornerStone Leadership Institute, one of the nation's largest publishers of management and leadership resources.

What makes him different from all other leadership experts, and why is he such a sought after speaker?

David has walked in leaders' shoes. With over 30 years of leadership experience in corporate America, David knows firsthand the obstacles, frustrations and issues leaders face. In sales and executive management positions with FedEx and Xerox, he created a legacy of leadership excellence, earning awards and achieving levels that continue to stand out as remarkable. His wisdom and sincerity come from one who has "been there." **David's depth of knowledge and experience make for content-rich learning experiences that few other speakers can match.**

You presented an important message full of powerful wisdom and examples, punctuated with style and humor. You bring a presence and charisma to your audience, and you know how to involve the crowd and keep them attentive.

– Manufacturers Resource Center

Everyone walked away from our meeting energized – not only with motivational thoughts, but also with practical tips that we can use in our everyday lives. Thanks for delivering more than what we were hoping for!

– Southwest Airlines Co.

Clearly, the highlight of the day and the "difference maker" was the series you facilitated. Many participants were especially impressed by your ability to tie the qualities of successful leadership directly to our core values and philosophy. This approach resonated very well with our leaders.
