It is equally appropriate for executives to front line customer service representatives and everyone in between. While you *never know what you're gonna get* when you bite into a chocolate, you know you'll get increased performance and productivity from this interactive, entertaining and content rich program.

Testimonials

"When faced with the challenge of introducing the corporate goals and new strategic direction for our company of 300 employees at the annual meeting, we were so happy we hired Steve Weber *as Forrest Gump*. Not only was his presentation entertaining, but he did it in a way that was extremely effective. Most importantly, we used Steve's talent to get our message across, and it is a meeting to this day that employees refer back to when we discuss our corporate objectives.

"I would highly recommend Steve for any organization that has an important idea or message to communicate, in a way that will always be remembered."
