

November 2018

Dear Vera:

President Nicky Gacos wanted me to express to you his appreciation as well as that of the National Association of Blind Merchants' Board of Directors for your presentation at our recent BLAST Conference in San Antonio. We hope you enjoyed being part of the event as much as we enjoyed putting it on. It was an amazing conference that set all-time attendance records. The feedback we got on the conference was overwhelmingly positive with comments like "best ever," "awesome speakers," and "wonderful training." We heard particularly good comments about your "Play Through the Foul" presentation. The line to buy your book is evidence of how popular you were. We sincerely appreciate your helping make the event the success that it was.

Thanks again!
