To Whom It May Concern

We recently had the opportunity to have Tom Flick speak to our Aflac Central Territory management team at our Coordinators Conference in Kansas City.

I have been with Aflac for 28 years and have hired dozens of speakers for various events. Tom's presentation was the best I have heard. He received the highest possible rating from over 95% of our attendees in our post conference survey.

Tom's message was based on tried and true principles but was presented in the freshest, most culturally relevant manner I think I have ever heard. In addition to excellent content and packaging, Tom's delivery was fantastic. He has outstanding speaking skills.

I give Tom's presentation to our group an "11 on a scale of 10"!

Sincerely,

Mike Tomlinson
