**THERE ARE SPEAKERS AND
THERE ARE ENTERTAINERS
BUT THERE IS ONLY ONE
CRAIG KARGES!**

Karges has become incredibly popular with corporate and association audiences for his ability to blend entertainment, message and motivation in one remarkable presentation.

"We recently had Craig Karges perform at a business seminar where most of the attendees were top-level executives who get to attend many such functions. When it comes to seeing speakers, business gurus and entertainers our audience has 'been there done that!' At least that was the case until they saw Craig Karges. To put it simply, Craig astounded, delighted and entertained our group with his unique performance. I would highly recommend Craig Karges to the event planner that is looking to find someone who is truly different... Craig engages the audience and entralls them. The real magic involved is how good you will look for bringing Craig to your group."

Frank Daley, Vice President, AmeriQuest

"Craig Karges is known for his combination of the art of magic and the power of intuition to create one of the most interesting and impressive shows on stage."

FOX 25, WFXT-TV, Boston

CRAIG KARGES AND EXPERIENCE THE EXTRAORDINARY, an incredible one-man show unlike anything you have ever seen. When the curtain falls, you are not certain whether you have been under the spell of a wonderful illusion or you have witnessed an extraordinary reality. To describe it is impossible... to see it is unforgettable!

"Your presentation was excellent, marvelous, astounding, humorous and extremely entertaining. I took the chance to bring something really unique to Chautauqua that evening and you certainly gave us an amazing show. Thank you for sharing your remarkable abilities with us and for bending our minds and confounding our logic."

Marty Merkley, Vice President and Director of Programming, Chautauqua Institution

“Craig puts on a hell of a great show. You can see much of his show on his website but it isn’t until you experience it live and hear the gasps and applause from the audience that you get a true appreciation for the great showman he is. The audience loved it – even as they were shaking their heads in disbelief. What was even more fun was hearing the buzz in the lobby after the performance, which received a spontaneous

standing ovation. Everyone was equally in awe and amazed – from doctors, to lawyers, to college presidents, to CEOs, to Chamber executives. That alone was an amazing thing to watch. Craig’s show is great for a Benefit – for your Mainstage season – for your Family Series, for any occasion. For an evening of great fun for the entire family, and one that will leave your audience baffled – this is the show for you.”

John W. Ellis, Managing Director, Diana Wortham Theatre at Pack Place

“You were a hit, as usual! You did it again, a third time no less... another outstanding and unforgettable performance that amazed the top AT&T performers. I enjoyed every moment of the show as well as the standing O you received. The audience was blown away and the subsequent buzz has not yet ceased. I desired entertainment, motivation and a business message. You went beyond the call and exceeded everyone’s expectations. You are, hands down, one of the best I’ve had the pleasure to work with. I can’t thank you enough for making me look like a hero.”

Diane Quido, Global Event Manager, AT&T

Audiences may be mystified when it comes to understanding how Karges accomplishes what he does on stage but his popularity is no mystery at all. The extraordinist has made over **forty national television appearances.** You've seen him on **The Tonight Show** as well as **CNN, Fox News Channel, CNBC, Lifetime and E!** Karges has **starred in two, one-hour television specials.** The sheer number and diversity of his television appearances is indicative of his widespread popularity.

The extraordinist offers \$100,000, payable to charity, if anyone can prove he uses stooges or confederates from the audience to accomplish his demonstrations.**

"My goal is to entertain through the creation of mystery and open minds to unlimited possibilities. I try to make my audiences feel they are a part of something they have never experienced before and hopefully will never forget," says Karges.
