Good afternoon Captain Carey, please feel free to use and publish this ringing endorsement as you'd like:

To Whom It May Concern,

Captain Dave Carey was our keynote speaker at our 2016 International Sales Meeting. This meeting not only consists of our 100 team members from across the United States, Canada and Mexico but also all of our valued suppliers from around the world.

Captain Carey was hands down the best speaker we have had to date in the 24 years of sales meetings we have hosted. His message was inspirational, thought-provoking and truly life-changing to all who heard it. He delivered his amazing story of bravery and patriotism with heartfelt sincerity, emotion and professionalism. He made us laugh, made us cry, but most importantly made us take stock of how we look at and perceive our lives and how our choices and attitude affect not only our destiny, but those around us. Even though Captain Carey thoughtfully pre-signed each book, we had a long line of people who just wanted to shake his hand and tell him what an amazing American (and person) he is. It has been a week since Captain Carey's speech, and I am still receiving praise and appreciation for having him be a team member for a day. We unequivocally recommend Captain Carey as a keynote speaker for any group that is looking for inspiration and motivation.

Captain Carey, thank you for inspiring our group on so many levels. We truly enjoyed having you as our guest and proud to call you our new friend. God bless you and your family and best of luck to you in all of your endeavors!

Best wishes,

Kevin and Carole Chase
And your extended family at Chase Plastic Services, Inc.
