## Motivational Speaker...

During the Vietnam era, Captain Dave Carey, USN, was a **POW living one day at a time in the prisons of Hanoi. His story of personal survival serves as a real-life example of the irrepressible human spirit and triumph over adversity.**

Dave presents keynote speeches and conference workshops at organizational, professional, trade association conventions, and meetings across the nation.

His audiences range from large national conventions to small in-house groups. He receives rave reviews and standing ovations wherever he speaks. He leaves audiences spellbound.

He energizes people to take positive, creative, and timely actions that lead to improved teamwork, increased productivity, and better communications. His message is real, immediate and challenging. Dave focuses on practical ideas and techniques that participants can use to get better results on the job and in their personal lives.

Programs are individualized, relevant to current issues and "results" oriented; carefully **designed to motivate, educate, inspire action, and empower individuals to develop real solutions to problems within their personal lives and their organizations.**

## Consultant & Trainer...

Dave's approach to leadership, team building and organizational development examines in detail those aspects of **values and behavior which enhance or interfere with productivity.** A course of action is developed to increase effectiveness, productivity, and personal contribution to company goals.

**All of his consulting and training is highly interactive and focuses on immediate, on-the-job issues.**

Every organization has unique circumstances, Dave works with clients so that together they diagnose problems and develop solutions to address those circumstances. His hands-on experience working with a wide range of organizations assures **an objective assessment and a focused plan for action.**

Dave has worked extensively with the SYMLOG Consulting Group and served for several years as their Director of Development. SYMLOG is the survey and feedback method Dave prefers to use as a framework with clients working on value based planned change for leadership, team building and organizational effectiveness efforts.

He also uses the Emotional Competency Inventory, based on Emotional Intelligence, for leadership development and executive coaching.
