

DAVE CRENSHAW SPEAKER INFO

DAVE CRENSHAW'S KEYNOTE SPEECHES & WORKSHOPS WILL BLOW YOUR AUDIENCE AWAY! JUST ASK CHUCK NORRIS...

A lot of people talk about Dave Crenshaw, including **Time Magazine**, **Fast-Company**, **USA Today**, and the **BBC**. Those are big names, but Dave couldn't help but laugh when he found himself quoted by one of the world's most iconic actors.

Although he's a little shy about admitting it, this was one of Dave's proudest moments as a professional speaker:

Chuck Norris quoted Dave in *The Official Chuck Norris Fact Book*.

If Dave impressed the mighty Chuck, then Dave will absolutely blow your audience clear across the conference room—without explosives or having to roundhouse-kick anyone. The only thing explosive about Dave is the power of his life-changing ideas!

But how can he best serve your group? In short, Dave Crenshaw is the master of helping business owners triumph over chaos.

Dave's first book, *The Myth of Multitasking: How 'Doing It All' Gets Nothing Done*, has been published in six languages and is a time management bestseller. His latest book, *The Focused Business: How Entrepreneurs Can Triumph Over Chaos*, is also a small business best seller. As an author, Dave transforms lives as readers relax in their couches.

But as a speaker, Dave will use your next event to get your group more excited—and productive—than they've ever been. Dave has the knowledge, wit and intellectual firepower you need to GROW!

Business leaders the world over have described Dave's presentations as life-changing because he has shown them and their staff how to make themselves **Invaluable** in their markets. He is consistently one of the top rated, most entertaining speakers at every event he appears at.

Dave is ready to bring his unique presentations to your group!

EXTENDED BIO (FOR EVENT PUBLICATIONS)

As a highly sought-after author, speaker, and online trainer, Dave Crenshaw is a master of building productive leaders.

The irony of Dave's productive mission is his inherently chaotic and unfocused nature. He was clinically diagnosed as "off-the-charts" ADHD yet took this analysis as a personal challenge to develop simple systems to be organized and productive despite himself. Now, hundreds of thousands of high-performing people around the world utilize Dave's training to improve focus, productivity, and profitability.

Dave has over two decades of experience training leaders in Fortune 500 companies, universities, and organizations of every size. His humorous and engaging approach always hits the mark with audiences. His speeches are described as dynamic and life-changing. He also frequently appears in the news worldwide, including TIME magazine, FastCompany, USA Today and the BBC News. However, Dave is most proud of being cited by Chuck Norris in *The Official Chuck Norris Fact Book*.

Dave's first book, [The Myth of Multitasking: How "Doing It All" Gets Nothing Done](#), is a time management bestseller available in many languages worldwide, including Korean, Italian, and German. Dave's courses on LinkedIn Learning (formerly lynda.com) such as [Time Management Fundamentals](#) and [Improving Your Focus](#) and have received over fifteen million views.

He is the founder and CEO of Invaluable Inc., a coaching and training corporation that promotes productive leadership on both the personal and organizational level.

Dave lives in the shadow of Utah's Rocky Mountains with his wife and children.
