EXECUTIVE SUMMARY

Tina E. Grimes, CEO of Success Academy, LLC (TINA Enterprises) takes your organization's training to another level with her expertise and unparalleled insight and engagement. She is certified at the highest level as an International John Maxwell Team Speaker, Trainer and Coach and is certified as a DISC Behavioral Analysis Trainer. She recently received the prestigious John Maxwell JMTDNA Culture Award for Exceed Expectations out of 35,000 coaches in 160 countries. Tina provides an extensive selection of Leadership, Communications and DEI coaching and training and will customize a program to meet the specific needs of your organization. For more than 25 years, she has delivered informative and extremely engaging sessions virtually and in person, to small groups and to thousands, reaching the United States, Paraguay, Ethiopia and more. An exploratory discussion with your leadership will enable Tina to hear your company's needs and exercise her amazing gift of developing your client-specific training. While an exploratory discussion is beneficial in customizing training to meet the specific needs of your organization, following are just a few of the many offerings:

FOR EXECUTIVE LEADERSHIP, MANAGEMENT AND TEAMS:

TRAINING COURSES:

Executive Leadership Team- Leadership; Communication; Team Building; Culture Building; Strategic Planning; 1:1 Executive Coaching; Learning to Coach Your Team; Succession Planning

Management/Teams- Leadership; Communication; Culture Building; Relationship Building; Core Values, Sales, and Customer Service

Diversity Equity and Inclusion Training- DEI Strategic Plan, DEI Organizational Training

21 Irrefutable Laws of Leadership- Raising the level of personal leadership effectiveness through an increased understanding of key leadership principles, participants experience greater self-leadership skills and gain influence with others. (2 Day, 4 Week or 10 Week option)

DISC Behavioral Assessments: Empower teams for greater productivity, increase effectiveness, and enhance communication by understanding personality and communication styles. Improve staff recruitment, reduce turnover, self-improvement, and team building.

The Leadership Experience- Exclusive, interactive leadership assessment unlike any your organization has experienced. This is a fun, engaging and extremely impactful tool in assessing your organization.
