I was first called upon to speak publicly when I was a captain in Junior hockey, discovered I liked it, and have been enjoying it ever since! I love using the storied principles I have experienced in the hockey and business worlds to inspire others to be their very best.

"Your workshop reawakened the leader within me. My leadership spirit is hungrier than ever..."

— SHELEIGH

"I had no idea your seminar would impact my life the way it did! When you spoke about Leadership, Attitude, and being a Team Player, I realized those were all avenues that were missing in my life. The message was loud and clear: if it was to BE it would be up to ME! Talk about impact! I can see why you were an NHL captain and leader in the locker room for 15 seasons. Thank you for delivering an inspiring, awesome, message."
