

Stephanie Richardson, M.S.

A/V Requirements

- Stephanie prefers to use a handheld wireless microphone.

- Power Point will be utilized for Stephanie's presentation. She will need to know if a laptop is available, if she needs to bring one, and the type of connection to the screen so she can bring necessary adapters as needed.

- Availability for laptop on lectern is preferred.

- There are occasional videos in Stephanie's presentation that are links to online content. Please have sound capabilities & WiFi available.

- Please let us know if any A/V requirements cannot be met in advance so that accommodations may be made.
