"The speaker did **a great job motivating** people to speak up and open up to a new way of thinking. Best session so far!"

"Sharon gave us useful strategies to get... un-stuck."

"**Fantastic speaker!!!** I need to take my "temperature" and take care of myself first."

“Lift others how you were lifted up. She was the **best speaker so far!**”

“**Excellent, excellent** presentation. I was watching the entire room; everyone was energized by Sharon.”

“I now understand how thinking differently can **accelerate my career.**” Sharon energized everyone. It was interactive and humorous- a great session!

**"Fabulous speaker-** great information and education needed as a leader."

"Sharon presented this information beautifully. She encourages all of us to advance our own profession, give back and pay it forward. **Very inspirational** and I will use this information to encourage others."

"I love the topic. **Topics like this are perfect** with some much change occurring in our world today. I love - forgo frustrations, reduce career stalls, live the life you narrate. I needed to hear that as I strive this year to change my course."

"The speaker and topic were great. We all need to be **reminded of the new normal.**"

"I have learned how to **think differently**, and a road map for success."

"Excellent Speaker. I will order her book. **Excellent suggestions and empowering.** This is why I attend INS, to validate my expertise."

“The takeaways for how to change perspective in this new normal were great, and I look forward to motivating our staff to **shift perspective as well!**”

“This session will help me **plan for change** and move forward in a work environment where Covid exposure is always present.”

“Very impressed with the speaker's career and how she was able to achieve the many roles & positions with pharma companies & manufacturers. Her advice to help those who feel like they are "stuck" in a position had us see **a light at the end of the tunnel**, that we can move forward taking small steps along the way with those we can identify as mentors, managers, supervisors”

"This topic was one of my favorites so far. We learned so much about ourselves and our world during this pandemic and have seen how different life looks from three years ago. This talk gave me a **lot of food for thought**. Thank you."

"This session helped me to understand that thinking in a new way can help my **personal and professional growth**."

"**A professional** with great content that made participants start to think differently about their respective futures."

"I learned about approaches to create **impact for your organization**, ideate, and innovate. I'll be sharing with my own team to help get out of our rut.

"Finally, a presentation that was not hospital-based. **Great speaker and good info.**"

"This was such a good topic and supported **how you talk** and perceive what is normal."

“The presentation **raised my awareness** of avoiding the “norm” and looking at issues in new ways, and voicing my thoughts of new ideas.”

“I learned the importance of adjusting and being open-minded with yourself and staff. **Collaborate to improve** not only patient care but the well-being of colleagues.”

“**I will definitely use the steps** the speaker enumerated to improve my work and personal life.”

**“Thinking outside the proverbial box - safeguarding patient safety and quality nursing practice.”**

**“Learned the value of staying empowered even though my career is slowing down with retirement on the horizon- or maybe a new path in nursing! I still have nursing left in me at 63! Excellent speaker. Refreshing to hear new, positive topic - amongst clinical classes.”**

**“Dynamic and motivating talk!”**

**“I found the information interesting. It gave me a unique perspective on problem-solving, networking, and working together. I will use the ideas and principles to work with (not for) others.”**
