As an experienced sales and business leader with a demonstrated history of success in Software sales, Larry brings a unique perspective to the table and understands many of the challenges faced by professionals today.

His areas of experience include Sales Training, Team Development, Leadership, & Motivation. Larry looks forward to assisting you and your organization.

What Clients Are Saying

“ I've worked with Larry on two virtual Salesforce events in the last 6 months. His energy and professionalism made my job so much easier and most importantly, resulted in an engaged and excited audience. Larry's true understanding of his audience and our goals made him the perfect choice each time. I look forward to working with Larry again very soon!

**-Courtney T,
Product Mkt Manager at
Salesforce**

“ Larry's energy and enthusiasm were so contagious during our Zoom meeting that my team maintained additional stamina over the following weeks due to the infusion of his energy. I'd recommend Larry for any and all sales teams engagements. I would love to have Larry join another team meeting.

**--Michael M, Director of EMEA
