

Speaker Introduction for SHEILA JONES

Our speaker today has a burning desire to help one million people live smarter, better, and bigger.

Sheila Jones has decades of experience in the professional world as an acclaimed chef, an innovation specialist, and a billion-dollar brand developer with companies like Nestle, Campbell's Soup, and Walmart.

NOW she is using that background as a motivational speaker, an educational trainer, an award-winning author, and the CEO of *Whicked Results* – oh, yes, she is here today to make sure YOU go home and achieve some *Whicked Results*!

Sheila's smart. She's compassionate. She's hilarious. And she's here today to talk about [*title of talk*].
