A Professional Speaker and Consultant  
Building Powerful CONNECTIONS® in  
Diverse Organizations

## Leadership and the Culture of Civility

A culture setter is an influential person who proactively describes, demonstrates and reinforces the behavioral norms and expectations valued within an organization. Instead of letting organizational culture evolve on its own, the culture setter intentionally shapes the environment to ensure it aligns with the key indicators of high performance. This is particularly important when it comes to creating civil workplace environments.

### **Because of this presentation, you will be able to:**

- Describe the extent to which incivility has increased in the workplace and the negative impact of this uncivil behavior on business performance.
- Identify and apply 6 leadership behaviors that promote civility in the workplace and have a direct, positive impact on individual and organizational performance.
- Understand your role as a culture setter and the ways leaders can unintentionally cause incivility.

## Testimonials

*Civility is always a timely topic in the workplace. The City of Glendale Employee Inclusion Network was pleased to host Dr. Holmes as part of our annual Martin Luther King Jr. event. Dr. Holmes seamlessly linked Dr. King's legacy to workplace civility. His presentation was thought provoking, interactive and engaging! Participants especially found key components of his training useful both personally and professionally. We look forward to working with Dr. Holmes in the future!*

**LeJeune Boone, MAOM, Sr. HR Business Partner, City of Glendale, Glendale, AZ**

*A very unique ability is to captivate an audience and make them process your spoken words long after you have left the room. This, I am sure, occurs on many occasions when Dr. Tyrone A. Holmes speaks. It certainly happened when he spoke at the Association for Multicultural Counseling and Development's Samuel H. Johnson Luncheon. He understood our mission and delivered a powerful and memorable keynote address that provided our guests with the "professional opportunity of a lifetime".*

**S. Kent Butler, Ph.D, PLPC, NCC, NCSC, Associate Professor, University of Missouri at St. Louis**

*I would like to thank you for facilitating our ADC retreat on August 22. I thought it was extremely helpful and judging from the feedback I received, many of the Deans felt the same way too. I appreciate your expertise and look forward to working with you again in the near future.*
