

SABY WARAICH

KEYNOTE SPEAKER | STRATEGIC ADVISOR

Elevate Trust, Build A Positive Team Culture and Deliver Better Results.

Recognized by Thinkers360 as a Global Thought Leader and Influencer in the Top 10 for Project Management and Business Strategy, and in the Top 50 for Leadership, Saby Waraich is not just a speaker—he's a practitioner in the trenches every single day. Delivering keynotes and workshops that are as inspiring as they are practical, Saby marries actionable insights with a captivating storytelling style. His mission is not just to inspire but to equip you with the strategies needed to excel personally and professionally.

A veteran in driving change and fostering innovation, Saby offers a unique perspective backed by real-world experience. Whether on stage or virtually, his energetic and engaging approach provides the tools you need to stand out as a leader, build trust, and ultimately drive better results. Don't just listen to a speech; gain a professional edge from someone who's living it.

Speaking Topics

LEADING BEYOND OUR LIMITS

Learning Objectives:

- Learn the art of innovation by venturing beyond your comfort zone.
- Acquire resilience and adaptability skills to conquer unexpected challenges.
- Uncover the secret to a lasting leadership legacy by embracing discomfort.

STAND OUT AS A LEADER: PURPLE COW LEADERSHIP

Learning Objectives:

- Spark creativity by embracing challenges with a positive mindset.
- Fuel collaboration by building relationships with empathy and trust.
- Ignite passion through gratitude and resilience.

DON'T ADOPT THE MONKEY

Learning Objectives:

- Understand how the "monkey" affects team morale and productivity.
- Learn strategies to turn things around and improve engagement.
- Align and remove obstacles for personal leadership development.

HAVE YOU EVER JUMPED FROM A PLANE?

Learning Objectives:

- Apply SCARE Framework: Manage complex projects with calmness, communication, adaptability, relationships, and empowerment.
- Prioritize People: Ensure technology empowers and positively impacts users.
- Enhance Collaboration: Leverage technology for improved collaboration and inclusivity.
