Founder LEAD My Life

WHOM I SERVE

I work with faith-driven founders, entrepreneurial couples, and legacy-minded teams—leaders who've built success but feel misaligned, stuck, or soul-tired. They're ready to move from grind to grace and lead from identity—not adrenaline.

Whether on stage, in a workshop, or during a VIP intensive, I guide them back to who they are and what they're truly here to build.

SERVICES AVAILABLE

- Keynotes & Conferences
