The Executive's Spiritual Coach | Bestselling Author | TV Host | Soul Catalyst for Personal Transformation | Modern Day High Priestess | Healer | Founder; Consciousness Rising, Inc.

Donna Bond, M.A., a former Ritz-Carlton marketing executive who laid down her crown to become a spiritual psychology maven, is the founder of Consciousness Rising, Inc. and a Soul Catalyst who facilitates personal transformation for successful women.

At the age of 44, at the top of her game, Donna woke up with the realization that "all this" wasn't "all that" - she was mentally stuck, emotionally unfulfilled, and spiritually bankrupt. After a 28-year award-winning corporate career, she obtained her master's degree in Spiritual Psychology with an emphasis in Consciousness, Health and Healing from the University of Santa Monica.

Donna's highest mission is soul liberation - awakening the whole self through soul-led transformation. She is the author of "Original Wisdom: Harness the Power of the Authentic You," the #1 bestseller "The Queen Bee: Embody Your Truth & Live Fully Expressed," and creator of the healing modality Higher Human Integration™. Through her work, she activates women's Sacred Soul Signatures, helping them remember who they really are so they can fulfill their higher purpose, express their authentic power and align with their entelechy.

Donna offers inspiring books, master courses, women's retreats and transformative coaching programs designed to help women break free of self-imposed limitations and stories of "not-enough-ness." Her experiential Tell A Vision Show "Spiritual Ambition" invites women to tune in and awaken their Divine Nature. She and her husband, award-winning oil painter Paul Bond, live part-time in Southern California and Costa Rica. Ultimately, she is one of many raising the global transformation of consciousness taking place on the planet today. For more information, visit [donnabond.com](http://donnabond.com)
